I am a fluent Welsh speaker seeking to further develop my Directing, Producing and Editing abilities in the film and television industry.

Graduating in 2017 with a 1st Class Honours Degree in Digital Film & Post Production Technology. I then went on to develop my skills starting as a Production Co-ordinator for It's My Shout Productions. Within a year, my duties rapidly grew to Line Producer and Production Manager for a number of commissioned and acquisitioned Short Dramas, and Documentaries for BBC & S4C.

With strong passion for Directing, Producing and Editing, I am now looking for the next challenge and opportunity to develop, work and connect with others in the creative industry.

I am an honest, hard working individual who is eager to learn, and grateful for any opportunity that can help advance my knowledge.
